Dear Parents, carers, students and community friends,

PARENT / TEACHER INTERVIEWS

This week, class teachers are holding interviews with parents and carers. If you have not made a time to meet, I would strongly encourage you to do this, as the information shared at these conferences is extremely important. I would like to thank the class teachers for the preparation they put into ensuring the conferences are a quality component of our reporting at CLG.

Next week I will be sending home a survey to four parents in each class randomly selected asking for your feedback about the interview you attended. If you do not receive a survey, you are still welcome to email me at rick.bennallack149@schools.sa.edu.au

WEST PARKWAY

I would like to remind parents that the school side of West Parkway is designated as a drop off and pick up zone. The signs on the road indicate this. It is not for parking and leaving your car to bring children into school or collect them after school. Please be aware the local council have and will continue to issue fines for those not following the rules.

ACCESS TO THE SCHOOL

At CLG, compared to many schools with perimeter fences, we are very open. After reviewing the current entry and exit points, I have decided to lock the gates restricting access to the two school driveways: 1) off of the eastern side of Windsor Avenue and 2) off of West Parkway. There will be times when contractors and other vehicles will be permitted access under supervision. Usually this will not be at the peak drop of and pick up times.

YEAR 7 TRIP TO CANBERRA

In week 11 of this term, 44 of our 60 year 7 students and 4 staff members are off on a 4 day and 3 night trip to Canberra. This event has been a year in planning and will hopefully become an annual tradition for our year 7 students.

I know it is not a cheap exercise, however the learning opportunities students will participate in provide great value for money. They will gain a real sense of our nation's capital and our democracy. We are flying over and back and during the 4 days, we will be visiting amazing places like:

- Mount Ainslie Lookout
- National Capital Exhibition
- National Museum of Australia
- National Gallery of Australia
- Geo Science Australia
- Questacon
- Australian War Memorial
- Parliament House
- High Court of Australia
- Museum of Australian Democracy
- Australian Electoral Education Centre
- Australian Institute of Sport
- Canberra Glassworks

We will also have some fun with Laser Tag and Zone Bowling. I would encourage the parents of year 6 students to starting planning now.

HAVE YOU UPDATED YOUR SENTRAL FOR PARENTS APP ?

Thank you to all parents for your patience regarding our Sentral Parent Portal and app. The app has now been updated and improved. Please delete the app off your phone or iPad and reinstall it. If you were using a shortcut on your phone to the web version please delete this also and install the app. We have tested the new app with a few parents and it is working better.

To clarify the main purpose of the app is to allow notifications to be sent to parents when we post a new message. It also provides a shortcut to enable parents to access the portal easily. Messages are displayed on the main app but that is all the app provides. Once in the app, click the menu in the top left hand corner to access the portal and functions such as downloading newsletters, advising the school on absences and viewing the staff calendar.

You will notice that the login to the app has changed slightly and you now need to add the name of the school.

Please be reminded that all, whole school based parent communication, including the newsletters, will be sent out via the Parent Portal and it is important that all parents login. Please see either Penny or Megan in the office if you are experiencing difficulties, we can reset parent passwords and support with troubleshooting.

PACER FUNDING FOR CANBERRA CAMP

Students from our school will soon be undertaking an education tour of the national capital. Students will be given the opportunity to participate in a variety of educational programs with a focus on Australia's history, culture, heritage and democracy.

The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government is contributing funding of \$60.00 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate is paid directly to the school upon completion of the excursion.

WHAT'S HAPPENING IN ROOM 6?

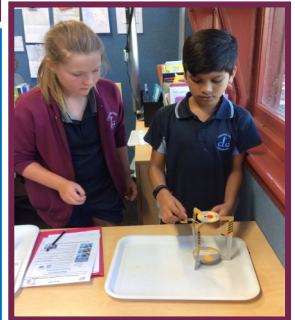

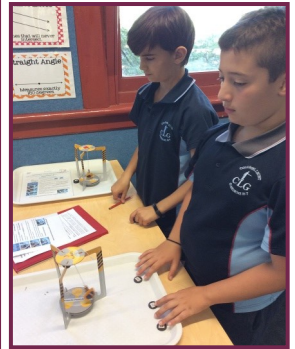

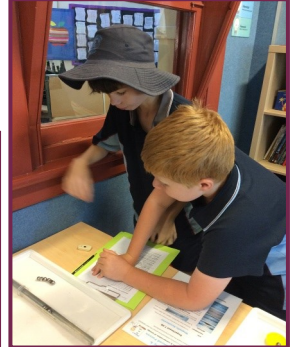

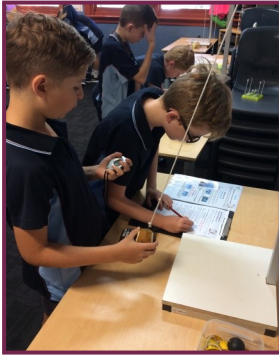

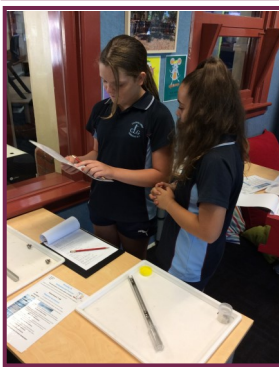

Using the force!

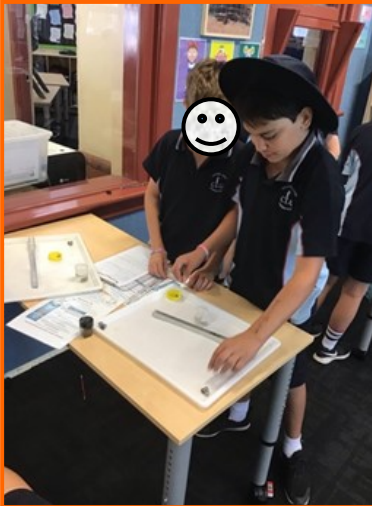

Along with Room 7, we have been studying the concept of force in science. This includes the phenomena of gravity and friction, magnetism and air resistance.

Pictured are some of the cool experiments from our 'Lab on Legs' session with Frank.

On Thursdays, we have really enjoyed reading with our little buddies from Rm 01. They keep us on our toes and are a lot of fun!

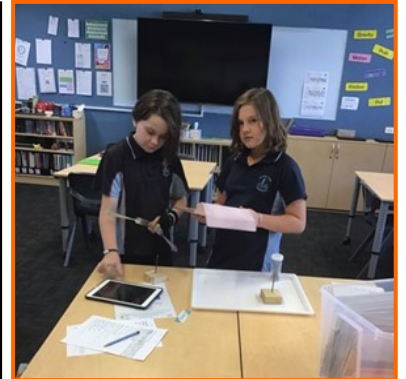

WHAT'S HAPPENING IN ROOM 7?

ROOM 7

are an unstoppable learning force!

Together, room 6 and 7 have been learning about physical forces. We were fortunate enough to participate in a science incursion with Frank's Lab on Legs.

Students moved through different stations to investigate the effects of gravity & other unbalanced forces.

They did an incredible job of being true scientists by making predictions, running multiple tests, recording results, and discussing their findings.

SRC NEWS

SRC 'BULLYING NO WAY!' CAMPAIGN

The SRC has had a busy start to 2019. All the reps have delivered many surveys to the classes so far this year. One of them was a survey to find our main priorities for 2019. The majority of our reps told us they think bullying is a problem at our school so we recently had a 'National Day Of Action Against Bullying'.

All students were given an anti bullying wrist band and a bullying help card. We would love to see kids wearing their wrist bands. The bullying help card give advice about what you can do if you are being bullied.

The SRC Executives are all rostered on to speak at an assembly. We decided that we will show an anti-bullying video at each assembly. This will be a really good reminder so we can stay focused on making our school a safe and friendly environment for everybody. The reps also took a hot spot survey back to their classes so we can find out where bullying happens at CLG.
