*Dear Parents, carers, students and community friends,*

## ACQUAINTANCE NIGHTS

I would like to thank all those who were able to attend our Acquaintance nights on Monday and Tuesday. We appreciate your support and interest in the work of the school.

It is hoped that through the presentation and handout provided, you gained useful insight into the teaching and learning program as well as classroom plans and expectations for the year ahead. As always, I am keen to receive feedback and know what you thought of these sessions. Did it meet your needs and answer your questions? Please email with your feedback and suggestions at [rick.bennallack149@schools.sa.edu.au](mailto:rick.bennallack149@schools.sa.edu.au)

If you would like to speak in more depth about any aspect of the school curriculum, we encourage you to arrange a meeting with your child's teacher.

## ANNUAL GENERAL MEETING (AGM)

At 6.30pm on **Monday February 24**, the school will be holding a brief AGM. All interested parents, relatives and community members are invited to come along and hear short reports about the progress of our school. There will be an opportunity to ask any questions you may have. The meeting should only last for 30 minutes.

We have some vacancies on the Governing Council this year. Would you like to be more involved in the school through participation in the Governing Council and/or one of the council's subcommittees? I would **encourage** anyone interested to email me at [rick.bennallack149@schools.sa.edu.au](mailto:rick.bennallack149@schools.sa.edu.au) and I will send you some information to consider.

## RAISING A COMPLAINT OR CONCERN

At Colonel Light Gardens Primary School, we believe that positive relationships within the school community give children a greater chance of having a successful educational experience. It is important students, staff and parents work together in solving any issue or concern that may arise. In the event of a grievance or concern the following procedures should be used

There may be a time when you have a question or concern about the curriculum, the learning or something which happened at school that you want to know more about. You may also wish to seek clarification about a certain school policy and/or procedure. So, who do you contact or speak to?

At CLG we have clear grievance procedures which are included with this newsletter. The Department for Education has also produced a brochure that can be found on our website called '**Raising a Complaint**' – **Working together to resolve complaints in schools**.

**If there is a concern there is an order to have it discussed and resolved:**

**The first contact needs to be with the class or specialist teacher via:**

- email
- diary note
- phone (leaving a message to return your call)
- or when the rooms open to arrange an appropriate time to speak or communicate about the grievance.

**When you talk, meet or email, outline what you consider to be the issue and allow time for the matter to be addressed.**

## PRINCIPAL'S NEWS Cont...

If the grievance **is not addressed** to your satisfaction, please contact the front office to arrange a time to meet a member of the school's leadership team responsible for the class or specialist area. These are:

### Jessica Roberts – Assistant Principal

Rooms 1, 2, 3, 8 and 9 plus Art plus Digital Learning and ICT matters

### Rick Bennallack - Principal

Rooms 6, 7, 11, 12, 13, 14 and 15 plus Music, PE, admin staff and school policy questions

### Brianna Frahn - Deputy Principal

Rooms 16, 17, 18, 19, 20, 21 plus Japanese, intervention and support staff including English as an Additional Language or Dialect (EALD)

### Simone Percy - Assistant Principal

Rooms 22, 23, 24, 25, 29, 30, 32, 33 and 35

If required, follow up meetings can be arranged with the Principal. We are committed to working together in partnership to resolve concerns and make a difference

Kind regards

**Rick Bennallack**

## INSTRUMENTAL MUSIC IN 2020

Our instrumental music program has started again for another year. The students were excited about their first lessons this week.

Instrumental music lessons are on Mondays in half hour group sessions with the various instruments that are offered. opportunity to learn an instrument is offered to students in years 5-7. Learning an instrument helps students to develop skills of reading music, persistence, self-motivation, and coordination. Playing music also gives students a sense of accomplishment; after all, you should feel good about mastering a song, difficult chord, or instrument!

We have been privileged to be able to host instrumental music lessons at Colonel Light Gardens. In previous years parents have been required to transport students to other schools for their lessons. We have two Department for Education music teachers who visit the school to teach the students in one of the following instruments:

**CLARINET**

**BASS GUITAR**

**SAXOPHONE**

**TROMBONE**

**TRUMPET**

**FLUTE**

**PERCUSSION**

There is still time to enrol your child into the program. If your child is interested please contact **Jess Roberts** for more details, forms or questions. [Jessica.Roberts824@schools.sa.edu.au](mailto:Jessica.Roberts824@schools.sa.edu.au)

<b>2022</b>	31 Jan - 4 Apr	2 May - 8 July	25 July - 30 Sept	17 Oct - 16 Dec

\* Please note that the 2021 term dates were updated on the department's website in February 2019. These dates were not reflected in the term dates advertised during 2019 in our school Newsletter.

## STAFF EMAIL ADDRESSES

Below is a list of email addresses in **alphabetical surname** order for all CLG staff including teachers, leaders, administration, support and canteen staff. These addresses are **only** for school related matters and should be used as a communication tool on a needs basis. During the work week and during term time, staff check their emails on a daily basis **on the days they work** and will respond with at least an acknowledgement within 48 working hours. Teaching staff **do not** check their emails during their teaching time.

Although checked daily (on the days they work), not all staff check their emails before school so please **do not** send absence or urgent information to the class teacher. This information needs to go through the front office to admin staff at [dl.0723.admin@schools.sa.edu.au](mailto:dl.0723.admin@schools.sa.edu.au) or to the leadership team at [dl.0723.info@schools.sa.edu.au](mailto:dl.0723.info@schools.sa.edu.au) Email addresses cannot be used for commercial purposes and will not be used to replace the school reporting procedures. All correspondence needs to be respectful. Using the Communication book for the younger students and student diaries for older students is still a good option.

# ART ROOM NEWS

Students have started the year very creatively, focussing on portraiture, drawing techniques, mark making and gradients. Students have already begun to show their understanding of these elements through their artworks.

We have hung the  
2019 Art Group  
murals in the  
stairwells of the  
Mortlock building  
.... check them out!

## 2020 International Competitions and Assessments for Schools (ICAS)

Dear Parents,

Colonel Light Gardens PS is offering students in Years 3-7 an opportunity to participate in the International Competitions and Assessments for Schools program for 2020.

ICAS assessments have taken place annually in schools for over thirty years and in twenty countries. Educational Assessment Australia (EAA), who design and deliver the assessments, is the not-for-profit arm of the University of New South Wales.

### ICAS:

- is an annual skills development assessment program in key areas of learning; assessments are available in English, Mathematics and Science (Computer Skills, Spelling and Writing are also offered but not at CLGPS)
- gathers performance information through a 30–60 minute supervised in-school test
- provides a continuous, independent and comprehensive record of a student's performance
- enables the progress of each student to be mapped in each skill against their previous performance, demonstrating personal improvement no matter the starting point
- uses fellow students' results as a reference point; results are mapped against all students sitting the test at the same year level in Australia
- provides an excellent preparation for national testing
- enables students at all levels of ability to participate; ICAS contains questions designed to specifically explore the abilities of students of all standards
- medals are awarded to the top students in each subject in each school year in each state when sufficiently meritorious and the test was sat on the official test date
- achievement certificates are awarded to all students at a range of levels:

1. **High Distinction to the top 1% of students**
2. **Distinction to the next 10% of students**
3. **Credit to the next 25% of students**
4. **Merit to the next 10% of students**
5. **Participation to all other students**

- results are available to parents and students online; these online reports and analyses remain available indefinitely. ICAS reports indicate which questions were answered correctly, compare student performance to that of the other students tested and are highly suitable for inclusion in a student's portfolio for future tertiary entrance or job opportunities
- entries are administered through the school, so teachers can also access the information

**If you would like your child to participate in ICAS testing in 2020, please return the attached page to the front office along with your payment OR pay online using BPOINT by **Friday 3<sup>rd</sup> April**.**

### To pay for ICAS online using BPOINT:

1. Go to our school website: <https://clgps.sa.edu.au/>
2. Select **Parent Information**, click on **Fees and Payments**
3. Select the **School Payments BPOINT** link
4. If you know your **Family ID**, enter it. If not, enter your child's surname
5. In the box named **Family Name**, enter your child's full name
6. In the **Description**, write **ICAS** and the test you are paying for: **ICAS – English, maths and science**
7. Enter the total amount payable for all tests your child is completing

### IGNITE at Aberfoyle Park High School

IGNITE is a specialist program for students with high intellectual potential. Aberfoyle Park High School is the official Department for Education school for gifted students in the southern metropolitan area of Adelaide.

#### HOW DO I KNOW IF MY CHILD IS GIFTED?

The characteristics of gifted children vary; however, many display some or all of the following traits:

- High levels of curiosity and deep levels of knowledge in one or more area
- Excellent creative thinking and ability to problem solve
- Strong empathy and social justice
- Highly developed sense of humour

Initial selection is based on performance in the Australian Council for Education (ACER) Gifted and Talented Assessment.

**Year 7 students in 2020 are eligible to sit the test for a place in the IGNITE program for 2021.**

## Student Mentoring Program

Connecting students from Colonel Light Gardens Primary School  
with mentors from our local community

**Do you have time to mentor a student to enhance their wellbeing and make a positive difference?**

Our Mentoring Program connects members of our community with students who may benefit from some one on one support outside the normal classroom activities. The program aims to improve opportunities for children through the valued knowledge and wisdom of mentors in the areas of positive wellbeing, self-confidence and social & emotional development.

Mentors provide 40 hours over a year during school term. By providing one hour of support each week you could make a difference to a student.

Suitable mentoring candidates will be required to undertake some initial online training, obtain a DSCI clearance (organised by the school) and attend a compulsory Volunteer Training and Mentor Induction session.
