CLGPS introduces...

Hannah Lace

Hi, my name is Hannah Lace and I am very excited to be teaching Year 2 in Room 13 this year. I have spent the past 10 years teaching in predominantly country schools, in the Riverland and Western Australia, but have returned home recently to Adelaide to be closer to family.

I love to use robotics to make learning even more exciting and have a robot called Dash, who we are learning to program. One of my favourite things to do is travel! I was lucky enough to visit Qatar, Oman and the UAE over the summer break.

I look forward to getting to know more of the Colonel Light Gardens PS school community as the year progresses.

Viki Georgiou

Hi, my name is Viki Georgiou and I have the privilege of teaching a wonderful bunch of year 5s in Room 16 this year. It has been a very exciting move back to Colonel Light Gardens Primary School as I spent the first eight years of my schooling as a student here. I have now been teaching for six years in various schools around Adelaide.

Just before the school year started I married my now husband Harry. For our honeymoon we plan to go to Africa. I love travelling and have visited over 16 countries throughout Europe and Asia. My passion is teaching and watching children learn, explore and grow as individuals on their learning journey. I look forward to meeting the families of CLG and seeing all the wonderful things the school has to offer throughout the year.

HARMONY DAY

Come to school in your national costume or wearing orange. Harmony Day is coming on **Friday March 20th** and is an important part of the school calendar. It is wonderful to see how our school keeps becoming more multi-cultural. Again, this year we are inviting students with links to other countries and cultures to come dressed in their national costume or related clothing.

Other students are invited to come to school replacing part of the school uniform with something sun-safe in the Harmony Day colour of orange. It could be a shirt or shorts or even just a hair tie. This is not a casual day, it is an opportunity to celebrate cultural diversity. We don't expect families to buy new clothing to wear. If you wear an orange top, the shorts need to be the regular school uniform. If students don't have cultural connection clothing or anything orange to wear, they will need to come dressed in their regular school uniform.

WE'RE PROUD TO CELEBRATE THE
DIVERSITY OF OUR COMMUNITY

PARENT / TEACHER INTERVIEWS

Parent / teacher interviews will be held in week 9 this term. Coming home soon will be the information required to book an interview with your child's class teacher/s. We encourage every parent and carer to attend an interview as it is a key component of our reporting procedures at CLG. Bookings will again be made through www.schoolinterviews.com.au. There is no expectation that students attend the interview.

Kind regards

2020 ICAS INFORMATION

Colonel Light Gardens PS is offering students in Years 3-7 an opportunity to participate in the International Competitions and Assessments for Schools program for 2020.

ICAS assessments have taken place annually in schools for over thirty years and in twenty countries. Educational Assessment Australia (EAA), who design and deliver the assessments, is the not-for-profit arm of the University of New South Wales.

ICAS:

- is an annual skills development assessment program in key areas of learning; assessments are available in English, Mathematics and Science (Computer Skills, Spelling and Writing are also offered but not at CLGPS)
- gathers performance information through a 30–60 minute supervised in-school test
- provides a continuous, independent and comprehensive record of a student's performance
- enables the progress of each student to be mapped in each skill against their previous performance, demonstrating personal improvement no matter the starting point
- uses fellow students' results as a reference point; results are mapped against all students sitting the test at the same year level in Australia
- provides an excellent preparation for national testing
- enables students at all levels of ability to participate; ICAS contains questions designed to specifically explore the abilities of students of all standards
- medals are awarded to the top students in each subject in each school year in each state when sufficiently meritorious and the test was sat on the official test date
- achievement certificates are awarded to all students at a range of levels:
 1. **High Distinction to the top 1% of students**
 2. **Distinction to the next 10% of students**
 3. **Credit to the next 25% of students**
 4. **Merit to the next 10% of students**
 5. **Participation to all other students**
- results are available to parents and students online; these online reports and analysis remain available indefinitely. ICAS reports indicate which questions were answered correctly, compare student performance to that of the other students tested and are highly suitable for inclusion in a student's portfolio for future tertiary entrance or job opportunities
- entries are administered through the school, so teachers can also access the information

If you would like your child to participate in ICAS testing in 2020, please return the attached page to the front office along with your payment OR pay online using BPOINT by **Friday 3rd April.**

2020 SA PREMIER'S READING CHALLENGE UPDATE

What amazing readers we have in this school! Especially from the Reade and Lower Mortlock Buildings. I am already receiving forms. A fantastic achievement for week 5. Room 22 surprised me this week. It was a rewarding sight to see so many excited faces as Ms Ellidge handed me the completed form. Congratulations to this book loving class.

Room 12 also has to be congratulated with 11 students returning their completed forms. This class has learnt to give constructive feedback to Mr Allen after reading a picture book. Their honest comments, both positive and negative are a reminder that as individuals, not every book is to our liking. Sometimes it takes time and a range of reading to find that book. The one that we just don't want to put down! A special mention to **Olivia B** to be the first to complete the Challenge in Room 25. She received a round of applause from a year 6/7 class which happened to be in the Library when she gave me her form. Very proud moment.

WHO HAS COMPLETED THE CHALLENGE SO FAR?

- Room 22** - as a class
- Room 25** - Olivia B
- Room 12** - Olivia J, Isabella G, Josh S, Joshua E, Evelyn S, Kiana V, Addison B, Bryah C, Hunter W, Araelia R & Finn D.

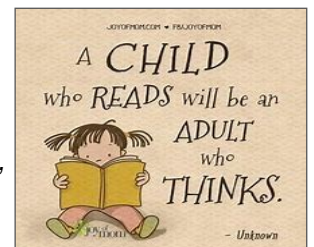

BOOK CLUB

Scholastic Book Club Issue 1 was delivered this week. Thank you to the school community for supporting our Library. The reward points that are allocated from the sales of each issue enables us to purchase more resources for the Library and classes. The next issue will be in the beginning of Term 2.

VOLUNTEERS

If anyone has completed their paperwork for volunteering in CLGPS I would appreciate some time. I am looking for willing people to assist with covering books, labelling, pencilling details in books, displays and other daily tasks that are a constant in our busy Library. This is not an ongoing commitment. Please feel free to pop in and say hi anytime.

How much does it cost?

Netball is \$90.00 for the season (includes a loan of a netball uniform) and covers the involved costs of umpiring, uniforms, equipment and end of year breakup.

All teams require a coach and a team manager. These will be parents or family members of players in the team. All coaches and managers must be cleared as a volunteer by the school. No previous experience necessary. Teams will not be able to play if they do not have these roles filled so enquire about volunteering on your child's team!

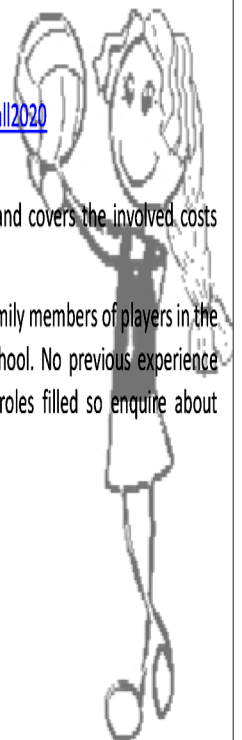

Please do not hesitate to contact us with any questions.
