Dear Parents, carers, students and community friends,

IT IS FINALLY HAPPENING!

After 2 years of fundraising in 2016 and 2017 and another year of planning, designing and paperwork, the upgrade of the brick building near the laneway is finally happening. You may have already noticed that temporary fencing has gone up around the building near the basketball court as the preliminary work begins. So what are we building?

Over the last few years, we have raised close to \$80,000 to fund the development of a kitchen facility which will be used by all students from Reception to year 7. Additional funding has been allocated by the school and OSHC to deliver on our vision.

Phase 1 of the development involves:

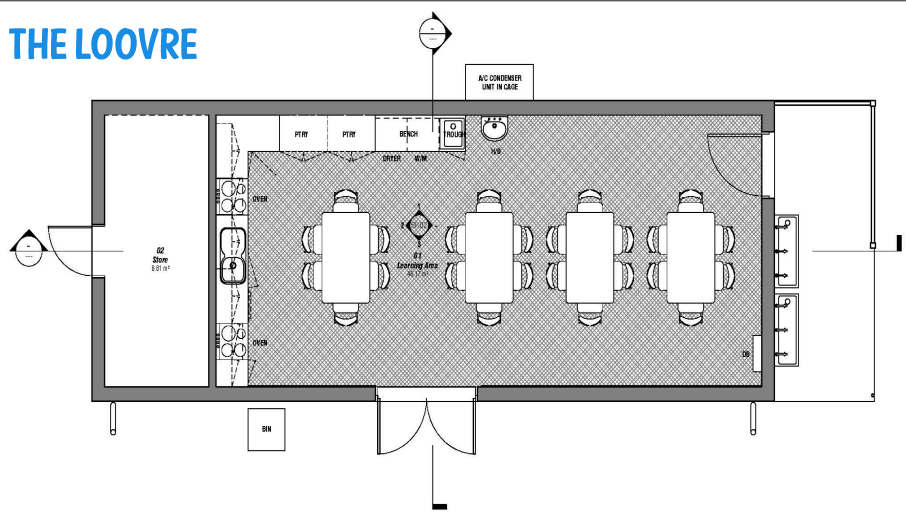

- gutting the inside of the building
- recladding the masonry walls with gyprock
- installing a new ceiling
- installing a grease pit
- installing a kitchen facility with:
 - bench space around the walls
 - storage cupboards
 - multiple sinks
 - 2 ovens and cook tops
 - a dishwasher
 - a washing machine
 - a dryer

The small space is designed for multiple uses for students and the school including:

- cooking and health lessons and activities
- STEM (Science, Technology, Engineering and Maths)
- Out of School Hours Care use (OSHC has contributed to the building costs including paying for the whitegoods for their use)
- an additional learning space

We will be purchasing some furniture on wheels which will make the area more flexible for use. The final phase of the project which may not happen until early next year is to establish an aesthetically pleasing fenced off area behind the building all the way back to the laneway. This secure area will be used to establish a kitchen garden for classes to use.

THE LOOVRE

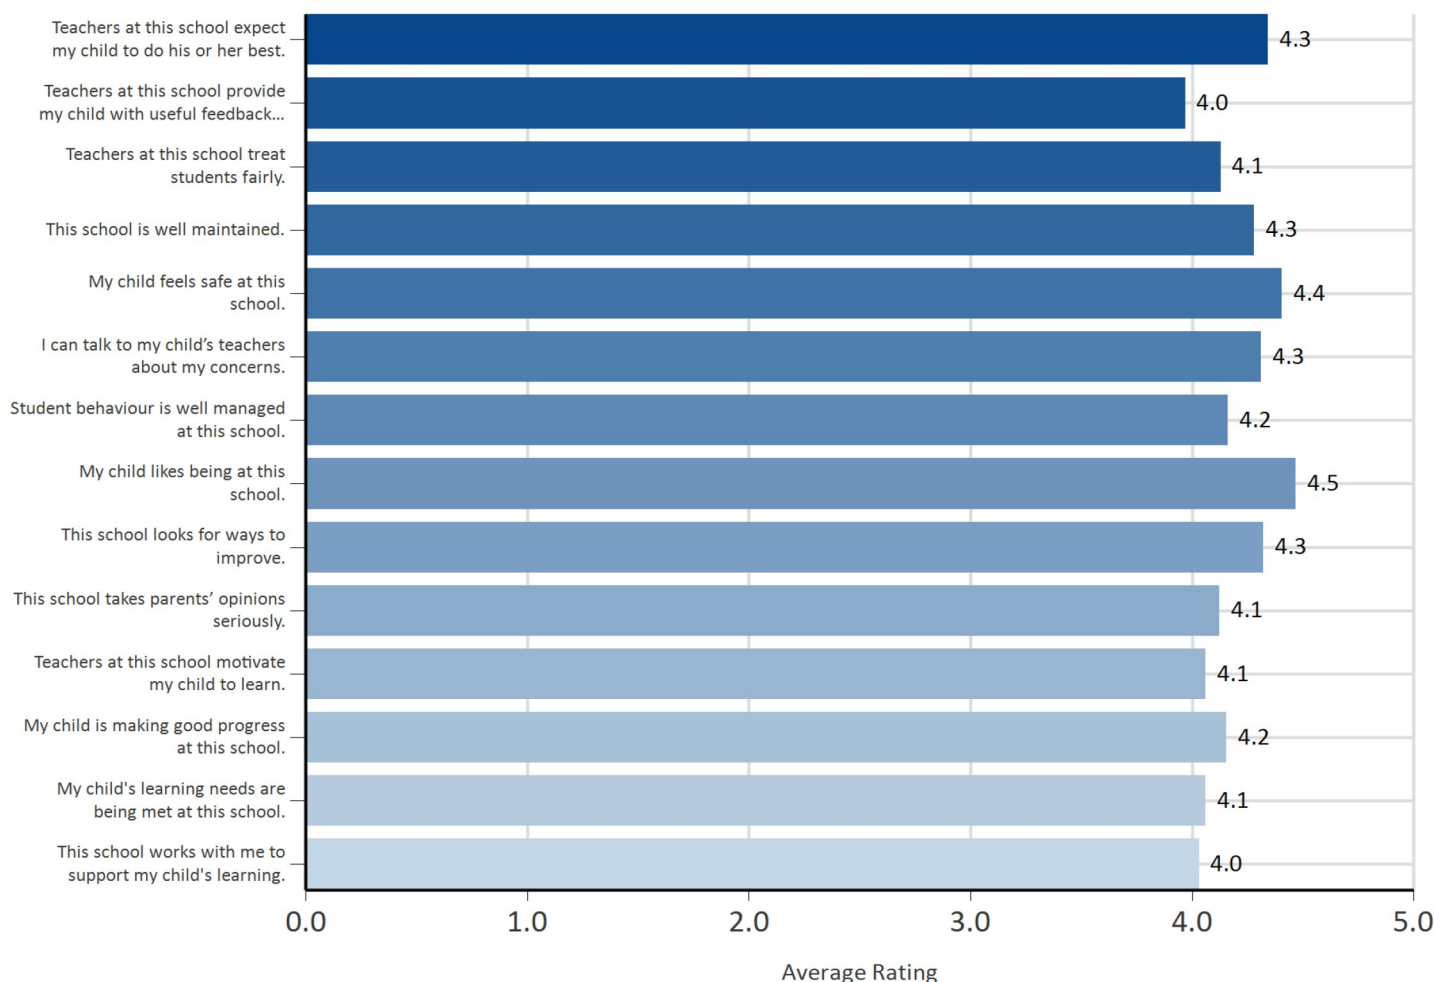

PRINCIPAL'S NEWS Cont..

PARENT OPINION SURVEY

Every year, we send home a survey link to a random selection of parents, asking them to provide feedback on how they feel we are going. The sample size is about 10% of the school community which for CLG equates to about 70 students.

Parents were asked to rate their level of agreement with each statement below.

5 = strongly agree, 4 = agree, 3 = neither agree nor disagree, 2 = disagree and 1 = strongly disagree. Here is a summary of our results which have shown pleasing improvement over the last few years. Thank you to all those who completed the survey.

I also asked some additional questions in the survey and sought feedback. In the next few newsletters, I plan to provide a response to some of the questions asked and comments made.

FEEDBACK

What did you think of our Father's Day breakfast and Sports Day? We thought that overall they were both highly successful, however as always I seek and value feedback from our school community about these events. I felt that at the breakfast, the coffee lines were too long and at the Sports Day not having the music for the health hustle was disappointing. If you have anything to share (the good or not so good) or suggestions for improvement please email me at

Rick.Bennallack149@scjhschools.sa.edu.au

QUIZ NIGHT AND DISCO

Have you bought your tickets for our final fundraising event for the year? If not please see all the details in this newsletter. Do you have your own business or some good connections? If so we would welcome a donation of some prizes for our silent auction.

Kind regards

Rick Bennallack

Principal

SRC NEWS

AUSTRALIA'S DROUGHT AFFECTED FARMERS

We are so proud of all the kids in our school who voted to donate \$1,000 of our disco fundraising to support drought affected Farmers. We will be having a whole school vote on which charity to support over our next few meetings. We are team working to help those less fortunate and it feels great!

ROBOCUP JUNIOR COMPETITION

On **August 20th** a group of students travelled to the Education Development for the RoboCup Junior State competition.

What an exciting and fun day! The students made the school proud with their demonstration of resilience, persistence and team work. We had three teams enter the competition in the Sumo and Rescue challenges.

The Rescue team were composed and focused as they worked on the various problems that their robot had encountered on the rescue course. There were three rounds of the course which progressively became more difficult with tight turns, green intersection markers, water tower and rescue capsule. On top of that their robot moved rather quickly over the rescue tiles as the tiles were slightly different to the ones they had been practicing on. They had to fine tune the parameters in their program to adapt to the course during practice time as well. It was exceptional to see how the students collaborated together to solve the problems one at a time with minimal adult guidance and under time pressure. The Rescue team finished 4th, just missing out on the finals. Well done **Poppy, Jacob** and **Thomas** for a brilliant effort on the day.

We entered two teams in the Sumo challenge. Due to a modification to the rules their robots were slightly too long and wide, as they could only be up to 20cm. Both teams worked solidly to rebuild their hardware design and showed good team spirit during the round robin matches against secondary and primary teams. Both teams performed well but unfortunately missed out on the finals. We were recognised in the awards for their excellent effort in their journals. Well done **Max, Aidan, Siena** and **Sam**.

To see all of the competition results please visit the RoboCup Junior website at:

<https://robocupjunior.org.au/node/26>

Follow these links to watch short videos of their creations at work:

VIDEO ONE

VIDEO TWO

Thank you to our parent volunteers **Ling** and **Rodney** who gave so much time to teach and support the students to compete leading up to the competition and on the day — it wouldn't have happened without them. Both Ling and Rodney felt that the students' learning journey cumulated to a very thrilling and enjoyable experience.

We will be looking at robotics in Computer club in Term 4. Computer club occurs every Monday at lunch time and all students are welcome to come along. Robotics club (with the intention of competing in RoboCup Junior) will recommence again in Term 1, 2019.

MISSING BIKE - HAVE YOU SEEN IT?

GT Chucker 2.0 Mountain Bike in Grey & Orange

Our son's bike was taken from the Bike Sheds of CLGPS last Friday, September 14th (SPORTS DAY). This bike means a lot to our boy, because his dad owned it before him. It is with hope that if someone has it safe in their keeping, recognises and / or knows of its where about, they might contact either myself (**Loren** - mob.0413 999 175) or alternatively, phone the school on **8276 1523**.

Thank you.

CANTEEN NEWS

COLONEL'S KITCHEN

Thank you for the support from all family and friends who enabled a very successful Sports Day. With your help and generosity the Canteen was able to raise a substantial amount of money.

A special thanks to **Ruzelle** and **Kelly** who monitored the stalls all day, **Nina** and **Eunah** for their constant "hovering" and "miraculous appearance" when unexpected extra help was required.

All catering from the canteen's perspective went smoothly with all pre-ordered lunches successfully returned by the caterers.

A reminder to the minority that the new prices began on September 1st – all 'green elephant' notes for shortages need to be repaid promptly please.

Helen Parsons
Canteen Manager

Pre-ordered lunches:	700.00
Ice-blocks & Canteen:	380.00
Cakes/biscuits:	850.00

TOTAL: \$1930.00

FUNDRAISING NEWS

THANK-YOU CAFÉ A GOGO!

A special thank-you to the proprietor of the coffee van, 'Café a gogo'. Not only did he provide us with an all day source of seriously good coffee and other delicious beverages, but he also very generously donated \$100.00 to the school from his days takings.

THANK YOU!

QUIZ NIGHT PRIZE DONATIONS

We are looking for your assistance with creating some fantastic silent auction prizes, live auction and raffle prizes by asking families to support the Quiz Night by donating one or more items. If you're able to donate any larger items or services we'd love to hear from you. Such donations will be acknowledged on the night and in the newsletter. There are labelled collection boxes are located in each building - Doolette, Reade, Upper Mortlock, Lower Mortlock, Grange and in the front office. All donations will be gratefully received.

No donation is too big or small. Based on prize donations of former years, some suggestions are:

- Travel, restaurant, shopping, spa, entertainment or sport vouchers
- Gym/personal training sessions
- Something for the Mums
- Something for the Dads
- Cooking/gourmet food
- Weekend away at a holiday house - live auction
- Premium wine
- Homewares
- Garden
- Working Bee, Tradie help

Why not combine funds with other parents in your class to buy a larger item for donation?

Thankyou for your continued support
